Off the Record

(OCH) Courtroom 002- 2:30 p.m. This is the time set for Family Drug Court. Petitioner/Father is neither present nor represented by counsel. Respondent/Mother is neither present nor represented by counsel. Family Drug Court Coordinator, Lance Anderson, is present.

LET THE RECORD REFLECT that Christy Johnson has failed to comply with the directives of Family Drug Court. She was ordered to submit to a hair follicle test on March 6, 2008 and she did present herself to TASC for that test. However, she failed to sign the release

authorization from TASC and the Court accepted a result sheet that she provided directly to the Court. The test results that Christy provided to the Court showed that she was negative for drugs, however, the Family Drug Court Coordinator contacted TASC to verify the results and learned she was actually positive for amphetamines.

It appears to the Court that she fraudulently presented information with regards to the drug tests to Family Drug Court. Christy also failed to comply with the directive to retake the hair follicle test.

Based on this behavior,

**IT IS ORDERED** that Mother's parenting time in this case is immediately suspended.

**IT IS FURTHER ORDERED** Mother is unsuccessfully discharged from Family Drug Court.

**IT IS FURTHER ORDERED** referring this matter back to Judge Fenzel, for all further action.

The Court has been made aware that the hearing scheduled before Judge Fenzel regarding Father's Petition to Modify Child Custody, Parenting Time, and Child Support filed on May 12, 2008 and the Family Drug Court Coordinator will contact Father to advise him of this order.

The Court will further refer this matter to law enforcement regarding the fraud perpetrated on the Court. The Court will contact the Maricopa County Sheriff's Office.
